\$98,191,146 IN OLD TAXES UNCOLLECTED WHILE CITY'S DEBT KEEPS ON GROWING

Enough to Run New York for Half a Year Outstanding-Would End High Tax Rate Mende if Collected.

By Sophie Irene Loeb.

Q. Why is the City of New York more in debt than the National Government? A. Because it owes \$152,000,000 more than the National Govern

adgets and because the assessed taxes have been accumulating for years.

Q. How much are the uncollected taxes? A. \$98,191,166.29. Q. Why has this large oum, which would pay half this year's bu

ted the taxes?

NOT COLLECTED, BEGAUSE UN-

COLLECTED, SEGAUSE UNCOLLECTED, SEGAUSE UNCOLLECTABLE.

When I asked Gempirolise Prendergast why these personal taxes,
which form the largest burden of the
uncollected taxes, have not been collected, he explained that a large percentage of them were uncellectable.
It is evident, from past years, that
personal properties are so assessed
as to make them uncollectable. Accerding to the Cornpiroller as to this
past report! Whether sufficient prevision has been made for all known
and epitimated deficiencies rests
largely on the valuation placed on
the outstanding personal taxes on

Just What You Want

Go into your drug store and buy a tube of Johnson's Shaving Cream Soap, and try it.

If you don't say it produces a better lather, better softens the hair, and better soothes the skin, than all the shaving soaps you over used, just take it back to the druggist and get your money back.

The guarantee of the largest house of its kind in the world, is behind this soap, which will satisfy everybody.
